### **Interrogatory 1 of 50**

This interrogatory relates to Claim H-143 (which previously was identified as 490 in Hamed's Expert Report) -- described in the claims list as "Plaza Extra East land" being that small parcel which constitutes the back section of the East Store and property outside behind that back section.

Please describe in detail when, under what circumstances, why, and how this land was purchased and by what person or entity (and by whom it is owned now); also stating as part of that detail, where the funds to purchase this land came from, and if the source was fully or partially an insurance policy, state whether grocery store proceeds were used to pay for that policy -- and describe any related documents, or documents that support or contradict your response.
