Special Master Ross:

Please note that each side has recently withdrawn another remaining "B" claim -- leaving only four of these "major" claims to be processed:

Y-10 Past Partnership Withdrawals

Y-12 Foreign Accounts and Jordanian Property

H-146 Imbalance in Credit Card Points

H-151 Checks written to Fathi Yusuf for personal use

In addition, the parties have submitted a proposal for "accelerating" any post-analysis, disputed "A" claims--the August 17th joint motion as to H-37.
