JURY TRIAL DEMANDED

**ORDER**

This matter is before the Court on the Defendants' Rule 12(c) motion to dismiss the complaint filed on April 23, 2014, which the Plaintiff has not opposed, as the time to respond has expired. Defendant seeks dismissal of the complaint against her due to the fact that the Plaintiff has now admitted it was not her employer at the time the allegations on the complaint took place, so that it has no standing to assert this claim. Upon consideration of the matters before me, it is hereby Ordered that the complaint shall be and hereby is dismissed with prejudice as the Plaintiff has no standing to assert the claims being raised herein.
